Railroad Coordination and General Liability Insurance

Add this section to Special Provisions.

**End of Addendum No. 1**

VILLAGE OF AKRON  
NOTICE TO BIDDERS  
RAILROAD COORDINATION AND GENERAL LIABILITY INSURANCE

SLW: OHM Page 1 of 1 8/27/15

The contractor shall cooperate and coordinate activities with the owners of the Genesee & Wyoming Railroad Service (Railroad). The contractor shall protect the railroad lines and coordinate work within the railroad right of way with the Railroad. Railroad flagperson may be required at times and this work shall be coordinated by Contractor. Payment for the Railroad Flagperson will be completed per the pay item provided in the contract for number of days. Contractor shall determine the number of Flagperson days needed and include in their bid.

Also, the Contractor shall obtain Commercial General Liability Insurance naming the Railroad and Genesee & Wyoming Inc. as additional insured in limits no less than \$2 million dollars per occurrence and \$6 million dollars in aggregate. The policy or policies where applicable and available, shall contain Insurance Services Office Standard Endorsement CG 2417 or its equivalent. A waiver or subrogation in favor of the railroad must also be shown as an endorsement to the policy. This coverage may be purchased through the Railroad and an application can be found at their website: [www.gwrr.com](http://www.gwrr.com).

The Contractor shall include this insurance with their contract and include the insurance purchase cost within the contract pay items. No additional compensation will be given from the Owner for obtaining the Railroad insurance policy.
